

Over the past 20 years the Kololi Beach Club has helped numerous UK and Overseas Charities raise tens of thousands of pounds. Now Wonago in association with The Kololi Beach Club provide their "Dream Holiday Pack" to help fundraisers get the maximum from their events. The Holidays can be used in Auctions, Prize Draws, Tombola's or any event you hold to raise funds. The key to a successful event is the items offered and those that your supporters will find interesting. We have three options for you to offer:

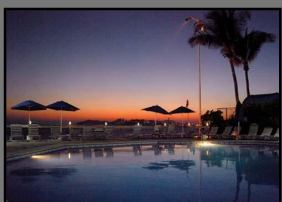

Option 1: 7 Days at The Kololi Beach Club normally raises between £400/£700.00

Option 2: 7 Days at Worldwide Destinations normally raises between £500/£800.00

Option 3: Lifetime of Worldwide Destinations normally raises between £3000/£4500.00

With the season for Social Functions approaching an auction at a Dinner and Dance evening is a tried and tested event which guests find enjoyable. Any of our Holiday options will always create enthusiastic bidding and you can offer as many as you want.

Once your winner is registered, Wonago will make all the arrangements for them and help to make their holiday one to remember. We look forward to helping you with your fundraising.

Charity Information

Why We Do It

Wonago and The Kololi Beach Club through their "Support the People" campaign are working with the Gambian Hotel Association and Local Charities to promote The Gambia as an "all year round" holiday destination. This is important for the local economy as each working person supports up to 12 other people, by filling spare capacity in the region it helps to keep the local people employed through out the year. Most visitors holiday in The Gambia during the winter to get away from the UK weather, which leaves the resorts quieter for the other months.

With our Holidays everyone benefits, Winners get a Great Holiday, Charities raise Funds and The Gambia Local Economy gets Support.

What You Get

Wonago provide a number of Holiday Accommodation Packages for up to 4 people which we have found attract great interest and produce most donations:

1. Seven Days Luxury Accommodation at the 5 Star Kololi Beach Club. Average auction value £600 - £800
2. Seven Days Luxury Accommodation at Villas Worldwide. Average auction value £750 - £950
3. One Week Lifetime Membership to The Kololi Beach Club. Average auction value £2750 - £4500

To give winners greater flexibility flights are not included, if required we will book these for your winner using our contacts to get the best prices. We make all the arrangements for the winners.

If you have a special large event we can tailor a package for you to make sure you raise as much money as possible for your charity. Email details of your event to charities@wonago.com or call 01624 610223.

All accommodation subject to availability and each resorts terms and conditions.

Fundraising Events

The Holidays can be used for many fundraising events such as:

1. Auctions
2. Prize Draws
3. Tombola's
4. Lotteries

We are happy to help and advise you on the best way to organise your event using our holidays.

How It Works

The process is simple:

1. Wonago will provide a Entitlement Certificate to give to the winners of your event.
2. You send the Registration Form and Fee to Wonago. (Fee goes to outside organisation)
3. Wonago will send your winner a Holiday Certificate confirming their Holiday.
4. All the arrangements will be made by Wonago for your Winner.

Charities that have used our Holidays have been delighted with the service they have received. The winners who have visited The Kololi Beach Club have been enchanted with the Luxury Resort, many have returned on numerous occasions.
